

BARRY GLICK

Entertaining Lecturer Native Plant Expert
Owner of Sunshine Farm and Gardens Renick, West Virginia

Sept. 30 Friday 7:00 PM

Woodland Wonders from the Wild

An enlightening, entertaining and educational look at some of the plants that we overlook on our woodland hikes and in our own backyards. A fascinating glimpse into the wonderful world of woodland wildflowers.

Old Rock School

402 Main St. E. Valdese, NC 28690

\$ 5.00

Tickets at the door or at the Extension Office.

Barry is a founding member of the North American Plant Preservation Council. At his West Virginia mountain top farm he grows tens of thousands of plants for retail and wholesale sale, and for seed production. In his tissue culture lab he experiments genetically to produce new and better plants. His focus is on the genus *Helleborus*. See Barry's website for more info.
